

## Chapter 15.28

### MISCELLANEOUS CONSTRUCTION REGULATIONS

#### Sections:

- 15.28.010 Protection of excavations.**
- 15.28.020 Building permits required.**
- 15.28.030 Filing and availability of codes and amendments.**

#### **15.28.010 Protection of excavations.**

It is unlawful for any person to dig or maintain any cellars, pits, or other excavation without providing adequate protection to persons and property in the form of barricades and warning devices. (Prior code § 6-101)

#### **15.28.020 Building permits required**

Building permits are required for any building construction, building additions or fences. Such permits shall be secured in accordance with the provisions of Section 17.52.010 of this code. (Prior code § 6-104; Amended December 13, 2012)

#### **15.28.040 Filing and availability of codes and amendments.**

At least one copy of each code adopted by Chapters 15.04 through 15.20 of this title and any ordinance providing for amendments, modifications, additions or deletions in such codes as adopted by the Town Council shall be maintained on file in the office of the clerk of the Town where they shall be available for public inspection during the normal office hours. (Prior code § 6-309; Amended December 13, 2012)
